

BioHazard Intake Form

To better comply with BioSafety Standards, please fill out the fields below to communicate any potential risk to SAIRF Staff and other Facility Users

Date	
PI	
Investigator	
Email	
Phone Number	
Reason for Use of SAIRF space	
Animal/Material Description (include specific cell lines, constructs and/or biological agents/toxins)	
Animal Protocol #	
Biosafety Protocol #	
Biosafety Level and Agent Risk Group	
PPE Requirements	
Method of Disinfection/Inactivation	
Containment and Disposal Methods	
Special Training Required to Handle Material	
Emergency Exposure and Spill Procedures	
Occupational Health Requirements (respirator, vaccinations)	
Other lab members working on this study in SAIRF space
